Sir:

RESPONSE TO RESTRICTION REQUIREMENT

This is in response to the Office Action mailed September 9, 2002 requesting an election in response to the Examiner's restriction requirement in the above-captioned case. A shortened statutory period for response to the September 9, 2002 Action was set to expire one month from the mailing date of the Action, i.e., October 9, 2002. Submitted with this Response is a Petition for Extension of Time requesting that the allowable period for responding to the Action be extended by one month so that it does not expire until November 9, 2002. Accordingly, this Response is timely filed.
